

I had six jobs, but all I was doing was paying off the interest on my debts. When I called CAP, the burden just lifted – I knew I was going to get the support I needed.

- Maxine, Birmingham

From the moment CAP got involved, everything changed. We were given a budget which meant I could suddenly do all the things that a parent is meant to do for their child.

- Sarah, Bracknell

They are serious, highly professional, deeply committed and, above all, they will treat you as a human being of infinite value, who just needs some help to find your own way forward.

- Justin Welby, Archbishop of Canterbury & CAP's patron

I couldn't have done it without you. I'm managing to do things I couldn't before. I've got a little money set aside for emergencies, and we always have food in the house now.

- Media Chingarande, Leeds

Does it cost anything?

No. Our service is completely free.

We are able to provide a totally free service because CAP is a charity and receives donations from churches and individuals who want to help people.

Will my creditors cooperate with you?

Yes. We have worked with over 1,000 companies within the finance industry and we are well respected. This means that councils, utilities and mortgage companies work with us because they have seen the results of our involvement. They know we offer fair repayments based on what you can afford.

Is CAP just for Christians?

No. CAP will help anyone regardless of their religious beliefs. We are committed to our service being available to all individuals regardless of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation - and will take appropriate measures to monitor this.

Making the first call can be hard but the sooner you ring, the sooner you will have peace of mind.

Local appointments

After you call CAP, a Debt Coach from a local CAP Debt Centre will carry out your first appointment.

An effective budget

Our trained debt counsellors will work out a realistic budget that prioritises your essential bills. We will negotiate affordable payments with each creditor and attempt to stop unfair interest and charges where possible. Your local Debt Coach will then explain the budget and the payments you will need to make.

CAP Plan

In most cases, a CAP Plan is set up for you. You will need to make one monthly payment into your CAP Plan to cover your debts and also bills if appropriate. CAP will then distribute this on your behalf. You can also build up savings through your CAP Plan.

Severe debt

If you are in severe debt, then we can walk you through insolvency options, such as petitioning for bankruptcy and helping you to fill out the forms.

Debt free

You can use your CAP Plan to pay your bills and debt repayments until you are debt free.
